註1　本學院各系所新聘副教授級以上之代表論文應發表於WOS論文期刊，以其所屬領域之排名百分比前50％或IF值2以上為最低標準，始得提出新聘案。新聘任講師及助理教授其代表論文可為學位論文或發表於WOS論文期刊，以其所屬領域排名百分比前60％或IF值2以上之著作為最低標準。

註2　排名百分比及IF值之認定以送審當時WOS論文資料庫最新公告之數值為基準，亦得使用該論文被接受時公告之數值。（由申請人提供佐證資料）

NATIONAL CHUNG HSING UNIVERSITY
COLLEGE OF VETERINARY MEDICINE
Faculty Recruitment Review Standard Form

Amended by the College Affairs Meeting on October 17, 2024

Appointment Level	Review Standards (Note1, Note2)
Instructor	1. For those with a Master's degree, their Master's thesis or the representative publication submitted within the five years is worth 70 points. Research papers or academic publications, with at least three papers published, or one paper published in an SCI-indexed journal in the relevant academic field, are worth 30 points. 2. For those with a Doctor's degree, their doctoral dissertation is worth 100 points.
Assistant Professor	1. For those with a Master's degree, their Master's thesis or the representative publication (After the applicant obtains the qualification for the previous level of teaching position and within the five years prior to submission.) is worth 70 points. At least three reference papers (including the Master's thesis) or one paper published in an SCI-indexed journal in the relevant academic field are worth 30 points. 2. For those with a Doctoral degree, their doctoral dissertation or the representative publication within the five years prior to submission, after obtaining the qualification for the previous level of teaching position, is worth 70 points. At least three reference papers (including the doctoral dissertation) or one paper published in an SCI-indexed journal in the relevant academic field are worth 30 points.
Associate Professor	For those with a Doctoral degree, their representative publication within the five years prior to submission, after obtaining the qualification for the previous level of teaching position, is worth 50 points. Having made significant contributions in the relevant academic field, or having published more than five papers in SCI-indexed journals in the relevant academic field (excluding the doctoral dissertation and its published works), is worth 50 points.
Professor	For those with a Doctoral degree, their representative publication within the five years prior to submission, after obtaining the qualification for the previous level of teaching position, is worth 50 points. Having made significant contributions in the relevant academic field, or having published more than eight papers in SCI-indexed journals in the relevant academic field (excluding the doctoral dissertation and its published works), is worth 50 points.

Note1 Representative papers for recruitment to the rank of Associate Professor or higher in each department/institute should be published in WOS-indexed journals. A ranking in the top 50% of the field or an impact factor (IF) of 2 or higher is the minimum requirement before submitting a recruitment proposal. For newly appointed Instructor and assistant professor, the representative paper may be a dissertation or a publication in a WOS-indexed journal. A ranking in the top 60% of the field or an impact factor (IF) of 2 or higher is the minimum requirement

Note 2 The ranking percentage and impact factor (IF) will be based on the latest values published in the WOS database at the time of submission for review. Alternatively, the values published at the time the paper was accepted may also be used (supporting documentation must be provided by the applicant).
