Note1 Representative papers for promotion or change of appointment to the rank of assistant professor or higher in each department should be published in WOS-indexed journals. A ranking in the top 50% of the field or an impact factor (IF) of 2 or higher is the minimum requirement to submit a promotion or reappointment case.

Note2 The ranking percentage and impact factor (IF) will be based on the latest values published in the WOS database at the time of submission for review. Alternatively, the values published at the time the paper was accepted may also be used (supporting documentation must be provided by the applicant).
